

# LaserMEDICA™

## Safety & Sanitation

The safety of our patients, clients and staff is our top priority. We are committed to providing experiences and services that meet highest sanitation and hygiene standards in the industry. To benefit from and enjoy your experience to the fullest, we ask that you be aware of the following standards and requests that will help us ensure your safety and comfort as well as that of other patients, clients and LaserMEDICA™ employees.

### AS A MEDICAL SPA WE ARE COMMITTED TO:

Meeting and exceeding all state, local and regulatory guidelines relating to sanitization and hygiene

Prohibiting employees who have a fever or are sick from engaging with patients/clients or common areas

Training all employees on Sanitation and Hygiene standards

Washing hands for a minimum of 20 seconds at the start and end of every treatment or service

Allowing patients/clients to forgo accessing communal spaces if requested

Allow for reschedule of appointments for patients/clients unable to make their appointment due to illness with advance notice

Fully sanitizing all treatment spaces  
Between each service

Installing of UVAR filters through facility and additional sanitization processes

### AS A LaserMEDICA™ PATIENT/CLIENT YOU ARE REQUESTED TO COMMIT TO:

Refraining from visiting us if you have a fever or communicable illness

Refraining from visiting LaserMEDICA™ if you are under an isolation or quarantine order/directive

Respecting LaserMEDICA™'s sanitation and hygiene standards and processes posted within the office

Washing hands for a minimum of 20 seconds prior to beginning each treatment or service

Sharing special sanitization or hygiene requests prior to arriving
